**Spinsec and Clicktoc have been feuding for many, many years. When Chime White goes missing, Lord Rolex the leader of Clicktoc blames Madame Redheart. Two brave soldiers volunteer to find Chime White and venture off to Spinsec.**

An Alice in Wonderland vibe with a possible Steampunk look.

The play could be lengthened with classes performing at certain intervals.

- A dance routine with fairies and dwarves when Derrick meets Alex and Alba.
- The villagers against Grimsley and his mean ways.
- More marketplace madness with Sweet and Hatter try to hide Chime White, who just keeps slowly making there way across stage. It could be kids playing Hide N Seek, but causing disruption.
- Robot routine when we first meet Madame Redheart's robot.

Some students created flags for each city. There was a suggestion to create a national anthem for each city also.
